

Login screen:

A screenshot of a web browser window. The address bar shows the URL `localhost/tranma24/init.php?error=Fill out password`. The page has a large heading "Login". Below it, there are two input fields: "UserName:" with the value "matt" and "Password:" which is empty. A "Login" button is below the password field. The browser's back, forward, and refresh buttons are visible on the left.

## Login

A screenshot of a web browser window. The address bar shows the URL `localhost/tranma24/init.php?error=Fill out username`. The page has a large heading "Login". Below it, there are two input fields: "UserName:" which is empty and "Password:" with four dots. A "Login" button is below the password field. The browser's back, forward, and refresh buttons are visible on the left.

## Login

A screenshot of a web browser window. The address bar shows the URL `localhost/tranma24/init.php?error=Could Not Find Credentials`. The page has a large heading "Login". Below it, there are two input fields: "UserName:" with the value "matt" and "Password:" with four dots. A "Login" button is below the password field. The browser's back, forward, and refresh buttons are visible on the left.

Home Screen:

If for some reason none of the radio buttons are selected, it sends the user back to the login screen

Make bid screen:

For image below, if Below zero, empty, or less than current, then send user back to make bid screen.

A screenshot of a web browser window. The address bar shows the URL `localhost/tranma24/specifictitem.php?error=Bid less than current`. The page has a large heading "Bid". Below it, there is a "Bid Amount:" label followed by an empty input field with a small up/down arrow button on the right. The browser's back, forward, and refresh buttons are visible on the left.

## Bid

Bid Amount:

If the user's authentication cookie is invalid, then send them back to login screen.

If the item closes, while making a bid, it will send the user back to the home screen.

Add item screen:

Any blank field will send the user back to home.
